FAQs

Frequently asked questions

How can I apply for a payment extension on mySRW?

To apply for a payment extension, select 'My Account' and then select 'Payment Extension' from the drop-down options. The payment extension button will only be available if your current account is not overdue and doesn't include a carried over balance.

The payment extension button will give you an additional 14 calendar days to pay (if you are eligible). If you have already applied for a payment extension on a bill this payment extension button will not be available for another payment extension.

If you require another payment extension you will need to call us to discuss.

I'm having trouble with mySRW, who can I speak to?

If you are having trouble with mySRW either

1. Select 'Report issue/feedback',
2. Call our Customer Service on 1300 139 510, or
3. Start an online chat

How do I read my meter?

1. Go to your outlet and locate the meter
2. Take note of the number, ensuring you read from left to right (including decimal points). Or, take a photo of the meter read (and try to feature the outlet number in the photo).
3. Upload the reading/photo into the Enter a Meter Read form available on mySRW

Why are My Entitlements and Usage pages blank?

These pages will only show active entitlements and usage, if you do not currently have any active entitlements then there will be no information displayed on these pages.

If you believe you have active entitlements/usage, and there is no information showing on these pages, please call us on 1300 139 510 to investigate or submit a feedback form on mySRW.

What is an ABA?

An ABA is an Allocation Bank Account, this is an overarching account that holds all of your licences (for example your BEE).

Why do I have more than one set of login credentials?

You may have received more than one set of login credentials based on the way you manage your business and licence(s). If you would like to consolidate, please contact us to discuss.
